

# Los Angeles Scholars Investment Fund

## DATA

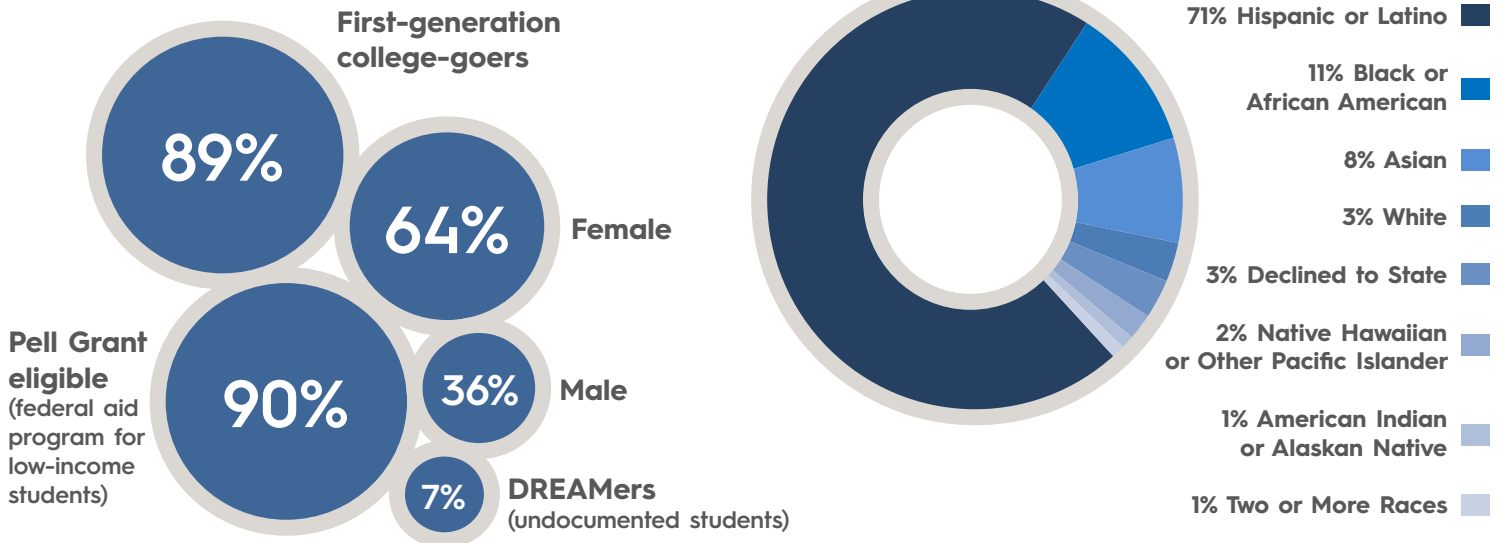

Launched in 2012, the Los Angeles Scholars Investment Fund seeks to increase the number of low-income Los Angeles County youth who complete college. Part high-performing mutual fund, part innovation incubator, LASIF partners with nonprofit organizations to provide scholarships and services that get students to and through college. The data below reflects the impact of LASIF since its launch:

**\$14.7M** granted      **26,000** students served      **3,026** scholarships provided      **183** colleges & universities attended      **158** high schools served      **30** organizations funded

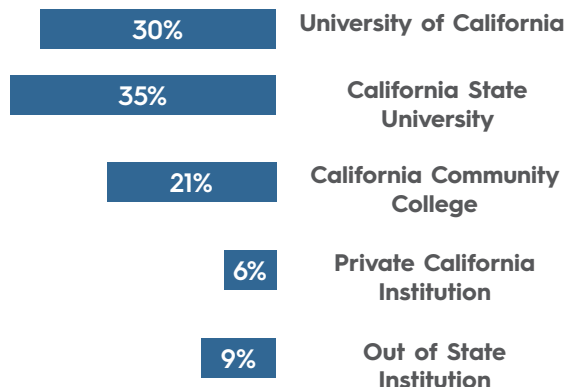

### DEMOGRAPHICS
