Total Pool Assets
$299.07 million (Capital Preservation Pool), $2.56 billion (total foundation assets) as March 31, 2022.

Pool Objective
To provide liquidity and working funds for present and future needs of the foundation. To accomplish this, it is essential that our cash be invested in a high quality fixed-income portfolio that:

- Preserves principal;
- Provides liquidity to meet projected cash flow requirements and provides for unexpected cash needs;
- Provides a positive return in relationship to any foreseeable economic and market conditions;
- Reduces volatility due to fluctuations in interest rates;
- Minimizes credit risk by meeting credit rating requirements while avoiding inappropriate concentrations;
- Provides fiduciary control of all investments and cash by the foundation.
