WHAT IS A COMMITTEE ADVISED SCHOLARSHIP FUND?

A Committee Advised Scholarship Fund is a scholarship fund where the donor can actively participate in the selection of students. You and CCF set the scholarship criteria. Then, CCF forms an advisory committee with your input. You may be a part of the committee and can also recommend other individuals to the committee, so long as you and people related to you do not constitute a majority of the committee.*

HOW DOES A COMMITTEE ADVISED SCHOLARSHIP FUND WORK?

1. Establish the Scholarship Fund and recommend criteria for the fund.
2. CCF creates the committee that governs the grantmaking with the donor’s input.
3. Committee reviews scholarship candidates and makes recommendations of recipients to CCF.
4. After due diligence, CCF grants to recipients through their schools.*

WHAT ARE THE TAX ADVANTAGES OF A COMMITTEE ADVISED SCHOLARSHIP FUND?

- Receive the maximum tax deduction available in the year the contribution is made
- Reduce estate taxes with testamentary gifts
- Avoid costly capital gains taxes while realizing the maximum tax deductibility of your donation with a gift of real estate or other complex assets
- Expenditure responsibility requirements do not apply, unlike with a private foundation

CONSIDERATIONS

- CCF appoints the committee, with your input.
- The Pension Protection Act requires an annual compliance process for donors and members of the committee, which CCF facilitates.

WHAT ARE THE MINIMUMS AND FEES?

A Scholarship Fund may be opened with $100,000. Additional contributions can be made at any time thereafter. Administrative fees are 1.5 percent, assessed quarterly (minimum of $750 per year). Investment management and consulting fees related to the foundation’s investment pools are charged separately. Additional fees may be charged for any mutually agreed-upon extraordinary legal, banking or other services rendered on behalf of a fund. Contact CCF for more information about calculating administrative fees.

*CCF disburses funds directly to the student’s school, which then makes funds available for the student. CCF does not disburse funds directly to the student.
